TERMINAL DISCLAIMER

Sir:

United Technologies Corporation, the owner of the entire right, title, and interest in and to the present reissue application, hereby disclaims, except as provided below, the terminal part of the statutory term of any reissue patent granted on the present application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156, as shortened by any terminal disclaimer filed prior to the grant of any reissue patent on pending reissue Application No. 09/343,736, filed on June 30, 1999, of any reissue patent granted on said pending Application No. 09/343,736. United Technologies Corporation hereby agrees that any reissue patent so granted on the present application shall be enforceable only for and during such period that it and any reissue patent granted on Application No. 09/343,736 are commonly owned. This agreement runs with any reissue patent granted on the present reissue application and is binding upon the grantee, and its successors or assigns.

In making the above disclaimer, United Technologies Corporation does not disclaim the terminal part of any reissue patent granted on the present reissue application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 of any reissue patent granted on reissue Application No. 09/343,736, as shortened by any terminal disclaimer filed prior to its grant, in the event that any such reissue patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by a reexamination certificate, is reissued a second time, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

Respectfully submitted,

David M. Quinlan
